Thank You...

Thank you so much to all my dance families!
I cannot tell enough how much we appreciate your support for the studio and all of these wonderful students that we have the privilege of working with each week.
Working with your children brings light and love to our lives.

Thank you to my wonderful staff for their hard work and constant support. Thank you so much to my loving family, my three kids, Mathew, Brady, and Ryann, my sister Mindi, and all my close friends for their constant love and support. Thank you Andy for always helping me with the tough jobs at the studio and with the kids, for your expertise in building props, pulling trailers, remodeling buildings, and your calm logic and advice. And last but not least, my parents, Margaret and Joe Richardson, who 32 years ago let me open a dance studio in their basement and helped me realize a lifelong dream. They have been by my side every step of the way with support, harsh truths, and love I would NEVER have been able to accomplish much without them.
Thank you my KDS beauties!

Have a wonderful summer! We hope to see you are the studio sometime over the summer for one of our summer camps or special sessions. I cannot wait to see you back in the studio this fall!
